**Describe your suggested
project (2-3 sentences).**

Sycamore Rouge requests assistance with
the establishment of a financial development
plan. Initial steps have been taken regarding
the collection of required data, but the
current staff has not yet been able to
compile all of the information into a working
financial plan.

**Describe the needs met
by this project. How will
it improve your service to
the community?**

This project represents a significant part of
ongoing efforts to solidify the organization's
infrastructure. A working financial plan will be
a crucial step toward the theatre's ability to
sustain funding for its current programming
schedule.
